Proud to be a Queensland Government Subsidised training provider

Nationally Recognised Training

Take your passion for caring to the next level and upgrade your career!

This course will give you the skills to complete specialised tasks and functions in aged care services either in residential, home or community based environments.

Learn how to effectively liaise with other healthcare professionals and take your career to the next level by supervising fellow workers.

Other skills covered include how to respond holistically to client issues and coordinate person-centred services for older people.

The health and aged care sector is experiencing strong growth, with the Australian Government expecting more than 50,000 job openings in the industry over the next five years.

Our highly experienced teaching team of Aged and Community Care specialists provide one-on-one guidance and support you every step of the way to ensure you have the knowledge and skills needed to succeed in the field.

Successful completion of this course will enable you to take on higher level duties and progress your career.

DURATION
